PRODUCT OF **DURAVAZ**

www.duravaz.com

ABRASION RESISTANT

With high quality top cover, Durabelt handles moderate-abrasive materials with ease.

HIGH TENSILE STRENGTH

EP-125 fabric allows 25% better tensile strength than average EP-100 commonly used by other brands in the market.

EXCELLENT ADHESION

Durabelt maintain flexibility, even under heavy load. Thus helps the splices last longer.
